LIFE MATTERS

Life Matters has been airing on a Christian radio station called Family Radio Uganda since 2018. Alliance for Life International-Uganda is responsible for the program concept and content. It is a 60-minutes inter-active radio program from 6 to 7 pm every Sunday. Our host is Emily Iradukunda and the program is in English and Luganda.

OUR MISSION:

To educate the Ugandan people regarding the issues of family, human life, marriage, family planning, and reproductive health in the context of a Christian understanding of human sexuality.

OUR VISION:

Our listeners will show a greater understanding of life and family issues, including family planning and reproductive health, and will make decisions that will impact their lives positively

Emilly's Qualifications: Bachelor of Arts in Education (economics and religious studies) from Makerere University

Certified Teacher Trainer in the Billings Ovulation Method of Natural Fertility Regulation
